## LMS Band Grading Policy

A successful Middle School Band requires diligence and commitment on the part of every member. Being disruptive in class is detrimental to the success of the band and will be reflected in the student's participation grade. Students will be graded on both accountability as well as individual tasks/skills.

- |                             |     |
|-----------------------------|-----|
| - Weekly Progress           | 50% |
| - Concerts/Festivals        | 25% |
| - Tests/Quizzes/Assignments | 25% |

### Weekly Progress Points

Students may earn full credit each day by being in their seat, prepared, with all materials on time. Points will be deducted for tardiness and lack of participation. Each student will be allowed two absences (including illness, field trips, sports, or **anything** else that takes them out of class) before points are deducted. On the third absence, students will lose one day's worth of points. These points/days can be made up.

### Make-up Points for Classroom Absences

In order to make up for a school related or non-school related absences, the student can attend a musical event (concert, musical, etc.) and give Mr. Mazurek a program or proof of attendance (1 absence = 1 musical event). The student may also make-up an absence by practicing for 30 minutes in the LHS band/choir room before school (7:00 - 7:30am) or after school (2:00 - 3:05). 1 absence = 30 minute practice session.

### Concerts/Festivals

Failure to participate in a concert will result in the overall class grade dropping a **minimum of one full letter grade**. Students will also lose points if they are late or not dressed in proper attire. In extreme cases (death in the family, illness, etc.) the points for an excused concert absence may be made-up by completing a detailed music related project. In order to receive credit, it must be accompanied by a note from the student's parent/guardian.

### Make-up Points for Concerts

To make up the points from the missed concert: Students must pre-arrange with Mr. Mazurek a total of 1.5 hours of practice time at the LHS Band/Choir Room (room 17) and perform their concert music live for Mr. Mazurek. Pre-arranged times can only be from 7:00 - 7:30am and from 2:00 - 3:05pm - Talk to Mr. Mazurek to schedule a day/time.

### Tests/Quizzes/Homework – points vary depending on test/quiz/homework

Students may have a playing/written test at least once a month to monitor for progress.

## 6th Grade Beginning Band Instruments

In the 6th Grade Beginning Band you have the option of playing the flute, clarinet, alto saxophone, trumpet, trombone, or percussion. Other band instrument options/exceptions can be assessed on a one-on-one basis.

Check out these instrument demonstrations and choose the one that you like the best!!! **We will spend the first few days of class listening to and discussing these instruments so you don't need to decide yet if you aren't sure.**

## Instrument Rentals

One thing that we have to make sure of is that everyone has access to an instrument. **Hoffman Music will be at LMS for our Instrument Rental Night on Wednesday, September 17th from 6:00-7:00pm** (more information and forms below). If it is more in your budget to rent from the school, you may do so for a cleaning fee of \$50. I highly encourage you to rent from Hoffman Music <https://hoffmanmusic.com/>, or Amends Music Center <https://amendmusiccenter.com/>, because their instruments are very well maintained and may be easier to play than the 20 to 50 year old instruments that we have at the school.

## **Equipment and Class Material Requirements**

**EVERYONE is required to have a pencil, music, and instrument with them at all rehearsals unless stated otherwise.**

### **Required Book (have this by Thursday, September 18th)**

- **“Accent on Achievement - Book 1”**
  - Make sure you buy the correct book for the instrument that you play (ie. trumpet, flute, clarinet, trombone, alto saxophone, percussion). There will be some to purchase at the Hoffman Instrument Rental Night but I can't guarantee they'll have enough. LMS has some for students to borrow until they can buy one.

### **Instrument (have one by Thursday, September 18th)**

- **Single Reed Instruments (Saxophones and Clarinets)**
  - You are expected to have a minimum of 3 working reeds in your case at any given time.
    - The cheapest way to buy enough reeds for the entire year is to purchase a box of ten.
    - All students should purchase a nice reed guard storage device. The above manufacturers make many nice models.
    - Storing your reeds in a nice reed guard will keep them fresh longer and overtime will lower your reed purchasing expenses. It is not recommended to store a reed on the mouthpiece of your instrument or in the plastic sleeve the reed came in - BUT it is better than no protective case at all.
    - Instrument cleaning kit

### **Percussion**

- All percussion students **MUST** get a pair of Vic Firth American Classic 5A Drum Sticks and either a snare drum pad or a snare drum. All percussion students are highly **ENCOURAGED** to purchase the Vic Firth EP2 Education Pack. Check online or have the local music stores order them.

### **Brass**

- Valved Instruments (Trumpet, Baritone): You are expected to have valve oil and tuning slide oil.
- Trombone: You are expected to have tuning slide oil/grease, slide cream (brand name Slide-O-Mix is best, and a small spray bottle for water.
- Instrument cleaning kit

### **Uniform**

- All members of the LMS Beginning Band Program should wear the nicest clothes they have for concerts. School dress code still applies.

### ADDITIONAL INFORMATION ABOUT INSTRUMENTS

\* Students are often more motivated to learn the instrument they are most interested in. \*

**•ALL INSTRUMENTS: MUST BE HANDLED WITH CARE AND TREATED LIKE A BELOVED PET. REPAIRS CAN BE VERY COSTLY.**

**FLUTE:** small and easy to transport. Not too loud and makes a very pretty sound. Very enjoyable to play. Tricky at first to generate a tone, some challenges at first with fingerings. Some private lessons at first, help.

**CLARINET:** relatively small to transport. Very warm and pretty sound. Very easy to start on. Must purchase reeds to replace broken ones, about \$4.00 each (buy a box of reeds from a music store or online).

**SAXOPHONE:** bigger and heavier than the clarinet. Feels heavy at first. Has a big, bold sound. Perhaps not the best where quiet practice is essential. Reeds cost \$4.00 per reed (buy a box of reeds from a music store or online)

**BRASS INSTRUMENTS:** Trumpets are medium size. Trombone and Baritone Horn are bigger. All are on the louder side, though they can be played softly with experience. Can be problematic for students with braces. Require valve or slide oil (\$8)

**STRINGS & TUBA:** These instruments are large, especially Tuba and String Bass. Both String Bass (violin) and Electric Bass (guitar) come in small sizes for smaller students. Electric Bass is probably the easiest to start on and is not too big. A practice amp at home is a plus.

**PERCUSSION:** Requires drum sticks (\$10). A practice pad is a good investment (\$15,) but a phone book works. You aren't required to purchase a percussion pack (Snare Drum and Bell Kit) but it would help your at home practice. You will be using the LMS percussion equipment during class so no need to transport your drums/bells to and from school.

## **2025-2026 LMS Band Contract**

By signing below, I agree to the following:

- I have read and understand the schedule of band events for this school year. I commit to be in attendance at all required performances, concerts, festivals, and events.
- I have read and understand the proper uniform for performances. I commit to be in proper attire (the nicest clothes I have) for each and every performance.
- I have read and understood the grading policy for band. I realize that tardies and absences will have a negative effect on my classroom grade. I also understand that I have the opportunity to make those points up.
- I have read and understand the LMS Band Expectations. I realize that my actions are my own responsibility and that poor decisions may carry consequences.
- I am an important member of this program and I have a responsibility to contribute positively to the learning environment. I will work diligently to help myself, and the group, achieve excellence. I will represent this program, my school, and my community in a respectful manner.

*This contract must be signed and turned in to Mr. Mazurek before the first performance. Failure to do this will result in the student not participating in and receiving an "F" on the event/concert.*
